- Is responsible for developing new products for India and South Africa.
- I work closely with all the departments of the organization in India, China & South Africa, coordinating their functions to achieve the right result at the right time.
- Is involved in various projects to **reduce the organization's production cost and time**.
- Also working on a project to **improve Gender Diversity** at workplace.

### Academic Details

Year	Degree	Institute	Percentage/Student Performance Index
2011-2015	B.Tech. in Polymer Science & Chemical Technology	Delhi Technological University, Delhi	<b>75.45</b>
2011	Class XII CBSE-AISSCE	Delhi Public School, R.K.Puram, Delhi	<b>90%</b> (99% in Computer Science)
2009	Class X CBSE-AISSE	Ahlcon International School, Delhi	<b>95.2%</b> (99% in Maths, Science & Social Science)

### Career Objective

To secure a well equipped position in a result oriented company that seeks ambitious and career conscious person, where my acquired skills will be utilized towards growth and advancement of the company.

### Personal traits

- Ability to work in team.
- Strong willingness to learn new skills and abilities and improve the acquired skills.
- Always willing to take the initiative.
- Establish interaction with people to know, understand and help them solve their problems.
- Good communication, analytical and interpersonal skills.

## Academic Trainings/Internships & Projects

### Trainings/Internships

- Winter training at **Indian Oil Co.Ltd. (Refineries Headquarters)**
- Summer training at **National Thermal Power Corporation**
- Winter Internship at **Defense Research & Development Organization (DRDO)**
- Summer Internship at **GAIL (Gas Authority of India Limited)**
- Interned as a **content writer** for 'The Indian Fusion'-an online magazine

### Projects

- |                                                                               |                                                                           |

| • <b>Waste materials to fuel oil</b><br>(Team Size: 4)                        | Dr. Raminder Kaur ( <b>Asst. Prof, DTU</b> )<br>August 2013-November 2013 |
| • <b>Recycling of waste plastic bottles</b>                                   | Dr. P.K.Roy ( <b>Scientist E, DRDO</b> )<br>December 2013-January 2014    |
| • <b>Ink from vegetable oil</b><br>(Team Size: 5)                             | Dr. Raminder Kaur ( <b>Asst. Prof, DTU</b> )<br>January 2014-April 2014   |
| • <b>Characterization of plastic blend</b>                                    | Dr. T.P. Anthony ( <b>GAIL India</b> )<br>June 2014-July 2014             |
| • <b>Synthesis and Studies of PVC based Gel Electrolyte</b><br>(Team Size: 3) | Dr. Richa Srivastava ( <b>Asst. Prof, DTU</b> )<br>January 2015-May 2015  |

## Extra-Curricular Achievements

- Received a Certificate of Appreciation from '**BASF- The Chemical Company**' for being a mentor at the International Event; **INDO GERMAN URBAN MELA**.
- Received Outstanding Achievement Award in '**Project Citizen India**'- An International Civic Achievement event.
- Received certificate of merit for excellence in **Spell-Vocab Challenger organized by Hindustan Times**
- Been a part of the annual **Case Study competition** organized by **Shri Ram College of Commerce, Delhi**.
- Worked as the **organizer for TATVA 2013, TATVA 2014** (the annual technical symposium of Department of Polymer Science and Chemical Technology of Delhi Technological University).
- Received Certificate of Appreciation from college for **working in organizing team** for college's annual cultural festival 'Engifest'.
- Worked as the **event head** for 'Contrivance'- a compound identification event in the departmental fest.
- Received Certificate of Appreciation from '**The Indian Fusion**'- an online magazine for working as the content writer.
- Worked as the **Campus Ambassador** for Birla Institute of Technology and Science, Pilani, Goa Campus.
- Served as the **Campus Ambassador** for Spardha'14, the annual games and sports festival of IIT, BHU.

## Scholastic Achievements

- Secured **1<sup>st</sup> rank in school** in 10th Standard exam conducted by CBSE with 1st positions in Maths, Science, Social Science & English.
- Received **Certificate of Merit from Central Board of Secondary Education** for being among the top 0.1% students in Science in 10th standard.
- Awarded the **1<sup>st</sup> position in 'Best out of Waste'** competition organized in collaboration with **Japan International Co-Operation Agency (JICA)** & JICA Alumni Association of India.
- Participated & won in various **inter-school, inter-house Maths/Science quiz competition.**
- **Felicitated by Principal of DPS, R.K.Puram** with a Merit Certificate & Green Badge for academic excellence in school.
- Felicitated by the **Govt. of India Press, Delhi** for securing high marks in 10<sup>th</sup> standard.

## Work Published

Published a paper on **Use of waste plastic as fuel oil** in 'Rasayan' - the annual technical magazine of Delhi Technological University.

## Symposium/Workshop Attended

Attended a symposium on "Polymers for next generation" held at Delhi Technological University.

## Social/Community Service

- Been part of the Earth Day Parade at India Gate organized by the **Ministry of Environment and Forest.**
- Volunteered during the **blood donation drive** organized by **The Indian Red Cross Society.**
- **Mentored young children** during the Indo-German Urban Mela, Delhi by making them learn through interactive Science experiments.
- **Volunteered for NGO Bhumi** (for the under-privileged children) during 'Joy of Giving Week'.

## Position of Responsibility

- Served as the **Student Executive for IPI- DTU** chapter.
- **Co-founder** of an online magazine- 'Writerati'.
- Served as the **Student Advisor** for the annual technical magazine of Department of Applied Chemistry & Polymer Science.
- Been part of Kartavya, DTU- a NGO based college society.
