

RAVINDER VIJAYRAN

Engineering Graduate
B. Tech. in Engineering Physics (majors in Electronics)
+919873989894
Delhi Technological University
rravinder.vv@gmail.com

OBJECTIVE

To secure a promising job position that offers both a challenge and a good opportunity for growth.

EDUCATION

Percentage	Institute	Degree	Year
Aggregate 65.08%	Delhi Technological University, Bawana Road, New Delhi – 42	B. Tech.	2010 - 2014
Aggregate 71%,	Modern Child Public School, Nangloi , New Delhi-110041	Class XII	2009
Aggregate 81.2%,	Modern Child Public School, Nangloi , New Delhi-110041	Class X	2007

TECHNICAL SKILLS

- **Basic Proficiency:** C/C++, PHP, MySQL

ACADEMIC PROJECTS

- **Silicon Nanoparticles-** Analyzed and extrapolated data from multitude of experiments which further led to the development of Silicon Nanoparticles.
- **Home Security System-** Designed and programmed home security system .

INTERNSHIPS / TRAINING

- **Fiber Laser Beam Combining**(June 2012 – August 2012)- Combined three monochromatic laser into a single beam and analyzed data. Worked on software packages Gaussian and Octopus.
- **Digital Electronic Switching System**(June 2013 – August . 2013), Airtel- Worked on Digital Electronic Switching System via Modular Design.

INDEPENDENT COURSEWORK

- Algorithms

WORK EXPERIENCE

XL Dynamics India Limited -(May--November)- Associate Analyst: Analysis of sensitive Data as provided by client .

INTERESTS

- Listening to Music
- Watching TV Series- Crime , Comedy and Mythological
